

Ilene & Gary Modica

Our Italian Journey

Have you ever wanted to pick up stakes and move to another country - for an entire year?

Ilene and Gary Modica sold almost everything they owned to spend a year in the land of Gary's Italian grandparents, to walk where they walked, eat what they ate, and live in the shadow of history they experienced.

They could not have imagined the three-year rollercoaster ride it would take to realize that dream, but as newly minted Italian citizens, Ilene and Gary did just that in 2019! Crisscrossing the breathtaking Italian countryside, they take you on a spellbinding journey of the "Old Country."

Few places evoke the stirring passions and romance of Italy, where the simple act of sharing a glass of wine, a perfect pizza, and good conversation is an art form. Be prepared to immerse yourself in this beautiful country and live vicariously through their authentic encounters.

They invite you along to relive their personal adventure of *Our Italian Journey* to explore quaint villages, steeped in tradition and local culture. Come experience *La Dolce Vita*, the sweet life. You'll have a front row seat to this incredible journey - perhaps the beginning of your own.
